

Bridle Ridge Estates (Venekamps, LLC) New Landscape Watering Permit

Water Account Owner's Name: _____

Water Account Number: _____

Phone Number: _____

Email Address: _____

Address of Property Requesting Watering Permit: _____

Water Permit Start Date: _____

Reason for Request:

New sod

New seed

Other plant materials (such as trees, shrubs)

If approved, you will be emailed (or mailed, by request) a Water Permit to display in a window that is visible to the outside on the front lower level of the residence. The email will come from sagewaterworks100@gmail.com. The permit will state the two-week window you are allowed to water the new sod/seed daily. Watering time restrictions still apply, and failure to observe the time restrictions will result in revocation of the water permit. All water usage is subject to normal water rates and fees. Please review the Drinking Water System Information/Watering Restrictions. No watering permit extensions will be granted.
