

Bridle Ridge Estates Customer Portal / Online Bill Pay Instructions

We are pleased to offer an online payment option for your monthly bill.

You can pay your water bill with credit cards, debit cards, or e-check.

There is a convenience fee based on \$3.00 per \$100 owed. In most cases this will be less than a late charge.

Examples –

1. Water bill = \$1 - \$100: convenience fee is \$3.00
2. Water bill = \$101 - \$200: convenience fee is \$6.00 and so on.

This service is not automatic; the water bill will not be charged to your credit card without you initiating a payment each month at www.ub-pay.com.

Customer Portal Online Features: (available to everyone regardless of how you pay)

1. Access to up to 12 months of billing statements
